Far right column, position in parenthesis represents place finished in the last race, SuperTrack MAIN.

Simply take your total points from first 4 races and add to your final MAIN finish.

For example:
Jung Yang earned 77pts over first 4 races....finished 14th in MAIN. 14th finish position is worth 74pts. 151pts total put him in 13th overall for the event.

Remember, we will be dropping your lowest of 4 race results for final season point tally.

Great Racing this past Saturday!
Congrats to Rene for another win. Welcome to the podium Todd and Mike!
